EVADES THE COSSACKS

GENERAL KUROKI MANAGES TO GET OUT OF TOUCH WITH RUSSIAN CAVALRY.

ALARMS RUSSIAN OFFICERS

THEY DO NOT SEEM ABLE TO FIGURE OUT JAPANESE PLAN OF CAMPAIGN.

From Mukden comes the startling information that the Russian cavalry is unable to locate Kuroki's forces, and the Russians fear some calamity will follow in the wake of this crafty general's movements.

The Japanese blockade of Port Arthur is so effective that General Stoessel has been unable to inform the war office at St. Petersburg of the situation.

A belated dispatch from Nagasaki tells of the awful mortality in a Japanese force at Port Arthur, only twelve men escaping alive out of a body of 4,000 men.

The report of the arrival of the Russian armored cruiser Bayan of the Port Arthur squadron at Hanchau bay, near Shanghai, is denied.

ALARMING TO SLAVS

GENERAL KUROKI EVADES THE COSSACKS AND CAUSES CONSTERNATION.

Mukden, Oct. 4.—Rumors that General Kuroki has evaded General Rennenkampf and slipped around the Russian left alarm army officers here and tend to disconcert General Kuroki's pivotal move to swing his left north and his right south. General Rennenkampf, at the head of his own Cossacks and another strong detachment, has been responsible for Kuroki's whereabouts for several days, but in forty-eight hours has not been able to trace the Japanese right.

When Rennenkampf left Pensiushu after his famous raid Marshal Oyama's three armies on the right, under General Kuroki, were forcing on Bentianputze from Sienchan and two other points. Scouting parties from the Cossack general's column in the past two days reported the Japanese were not in any of the three positions occupied by the enemy recently and that the brigades stationed in and about Bentianputze were those of Kuroki's rear instead of his vanguard. Those reports led to the belief that Kuroki has crossed the Hun at least forty miles east of Mukden and is inclining toward the Peninsular railway from northeast of this place.

CARRYING OUT HIS POLICY.

New Russian Minister of the Interior Gets to Work.

St. Petersburg, Oct. 4.—Prince Sviatopolk-Mirsky, the new minister of the interior, has already begun energetically the work of putting his published utterances into effect. Two assistant ministers of the department who opposed the zemstvo have been transferred to the inactivity of the council of the empire, and half a dozen of the late Minister Plehve's other lieutenants have already been displaced. M. Bunakoff and Dr. Mordinoff, two members of the committee on rural industry of the province of Voronet, who were exiled into Siberia by Minister Plehve for having expressed liberal views, have been allowed to return to their homes. Prince Sviatopolk-Mirsky has also issued an order permitting the Woschol (Sunrise), a Jewish organ here, which Minister Plehve suppressed last spring, to resume publication.

ALL IS QUIET AT MUKDEN.

Russian War Commission Has No News of Fighting.

St. Petersburg, Oct. 4.—The war commission adjourned last night without issuing further news from the front. An Associated Press dispatch from Mukden, filed there at 10:30 o'clock Monday, states merely that all is quiet there. There is intense interest here in developments at Mukden, but the public and apparently the authorities also are utterly in the dark as to what is occurring.

The little news received from Port Arthur comes from abroad, but that title is satisfactory, inasmuch as it records a further repulse of the Japanese attacks.

THIRD JAPANESE WAR LOAN.

One of \$40,000,000 Will Be Flated at Home.

London, Oct. 4.—The Standard's Tokio correspondent reports that at a conference of bankers it was decided to issue immediately a third domestic war loan of \$40,000,000, completing the loans for the current fiscal year.

MORE THAN A MILLION MEN.

New Jap Military Scheme Provides for a Large Army.

London, Oct. 4.—Explaining the details of the new Japanese military regulations, the Times correspondent at Tokio says it will ultimately make the total war strength of the army exceed 1,000,000.

JUDGE PARKER HARD AT WORK.

Democratic Candidate Busy Over Plan of Campaign.

New York, Oct. 4.—A glance into Judge Parker's private reception room at his apartments at the Hotel Seville reveals a political workshop equipped almost as completely as his library at Rosemount. It only needs a view of the stacks of correspondence and imposing looking documents to corroborate the report that the Democratic presidential candidate intends spending a great deal of his time between now and election day in New York, where he can keep in close touch with the campaign.

That Judge Parker is acquainting himself with the minutest details of the canvass in every one of the states, placed by either party in the doubtful column, is evident from his discussions with campaign managers. Many reports are being made to Judge Parker by individual workers who do not pass through the hands of the national committee and which are given his personal attention. This work takes much of his time, so much in fact, that scores of callers who have no particular business with the candidate are unable to find him disengaged. Little of Judge Parker's correspondence is attended to by clerks. Every letter that goes out, unless it be some formal acknowledgment of service, is read and signed by the judge.

Judge Parker found time Monday to answer much correspondence. His callers were fewer than on any previous occasion, when he has visited New York.

ELECTIONS IN CONNECTICUT.

Results Said to Have No Bearing on the November Contest.

New Haven, Conn., Oct. 4.—A net gain of one town to the Democrats, and a gain of two towns to the license column tells in brief the story of the little town elections in Connecticut Monday. The leaders of both the leading political parties had stated that the results of Monday's elections could have no bearing on the November election, and their opinion was well founded, for the figures have a purely local significance. For officers Monday 162 towns voted and of these 128 went Republican, as last year, while the Democrats got 33, as compared with 32 last year.

AWFUL LOSS OF LIFE

ONLY TWELVE JAPS LEFT ALIVE OUT OF A FORCE OF FOUR THOUSAND MEN.

London, Oct. 4.—The Daily Telegraph's Nagasaki correspondent, calling under date of Sept. 25, says:

Terrible artillery conflicts are adding to the horrors of the situation at Port Arthur. On Sept. 22 and 23 the Russians made sorties against positions held by the Kanagawa regiment and desperate fighting ensued. The Japanese force was practically annihilated, only one non-commissioned officer and eleven men remaining alive out of the 4,000 who went into the engagement.

The Japanese tunnel into Port Arthur was completed on Sept. 24, and was immediately used. The result is unknown."

Mediation Not Discussed.

Rome, Oct. 4.—Premier Giolitti returned to Rome Monday. In conversation with friends he authorized a repetition of the denial that any project of mediation in the far East was discussed at his recent meeting with Count von Buelow, the German chancellor.

FAIRBANKS IN CALIFORNIA.

Begins His Campaign in That State at Redding.

Redding, Cal., Oct. 4.—Senator Fairbanks and Senator Fulton of Oregon began their campaign of California at this point at the head of the great Sacramento vaneey before breakfast Monday. Their train drew into the town during the night and they awoke to the music of a brass band. A stand had been erected on the commons near the railway station and when the vice presidential candidate and his associates were conducted to it they found a large crowd awaiting them.

In his speech Senator Fairbanks referred to the far-reaching fame of the section and dwelt upon the necessity of continuing the existing political conditions in order to continue the existing prosperous condition of business.

Large crowds listened to Senator Fairbanks at Red Bluff, Chico and Marysville. At San Francisco Senator Fairbanks addressed an immense audience in Mechanics pavilion. He devoted much of his time to the Panama canal question and to the extension of American trade in the Orient.

ANOTHER PEACE CONFERENCE.

May Be Called by Either Germany or America.

London, Oct. 5.—Sir Thomas Balfour, who has been prominently identified with the movement for establishing amity between nations, says that the German government had under consideration the calling of another conference to extend the scope of The Hague convention prior to President Roosevelt's announcement of the desire to take action in that direction. "There is thus little difficulty," Sir Thomas said, "about the adoption of the proposal of President Roosevelt. You will remember that Count von Buelow stated in the Reichstag a couple of years ago that it was the intention of Germany to call a conference and recent correspondence we have had with the German authorities shows the matter is being considered. There is, therefore, a possibility of either the American and German governments calling a conference jointly or that one will give way to the other. If all the nations will accept the proposal it will be one of the greatest things America has done."

WARSHIP PASSES BOSPHORUS.

This Time the Vessel Is Bound for Home.

Constantinople, Oct. 4.—The Russian volunteer fleet steamer Nijni Novgorod has passed the Bosphorus homeward bound.

The Nijni Novgorod was reported to have passed the Bosphorus on Sept. 26, carrying, it was said, 1,000 soldiers to relieve the Russian garrison at Crete.

EIGHT SKELETONS FOUND.

Much Excitement Created in Village of Sparta, Mich.

Grand Rapids, Mich., Oct. 4.—Much excitement has been created in the village of Sparta, fourteen miles north, by the discovery of eight skeletons near the town. The discovery was made by three young men who were hunting. They found one skeleton and upon investigating found three more buried in the ground and an army of men began digging over the premises. Monday four more were found. A bullet was found in each skull. The region in which the bodies were found was formerly a wild one and it is thought that the bodies may be those of early settlers, killed by Indians.

D. M. Clark & Co. carry a full line of sash and doors and builders' hardware.

PAYNE SLOWLY DYING

POSTMASTER GENERAL IS NOT EXPECTED TO SURVIVE HIS PRESENT ILLNESS.

ALL HOPE WAS ABANDONED

PHYSICIANS DID NOT EXPECT THEIR PATIENT TO SURVIVE MONDAY NIGHT.

Washington, Oct. 4.—Postmaster General Payne is now weaker than at any previous stage of his illness, save during the worst of his sinking spells, and his death, it is said, may occur at any minute. The most powerful stimulants, in greater doses than ever, are being administered to him at frequent intervals and it is due to them alone, it is stated, if he survive the night. Without them, it is said, he could not live more than a few hours. His pulse at times Monday was hardly perceptible. There was a severe sinking spell at noon and another shortly after 4 in the afternoon that lasted half an hour. During the succeeding hours the sick man gained a little rest, though he could not sleep long at a time. At 9:30 p. m. Dr. Magruder issued a bulletin saying that Mr. Payne continued to respond well to the remedies administered and there was a slight improvement.

Mr. Payne is unconscious most of the time, but occasionally recognizes those about him. He suffered considerable pain during the day. President and Mrs. Roosevelt called during the afternoon and remained at the Payne apartments half an hour. Later they sent a great bunch of roses from the White House conservatory. The Japanese minister, Mr. Takahira, sent one of his secretaries to inquire about Mr. Payne's condition, and Secretary Hitchcock, Assistants Postmasters General Wynne, Shallenberg, Madden and Bristow were among the other callers.

Another Consultation to Be Held.

Mrs. W. H. Cameron of Milwaukee, sister of Mr. Payne, arrived last night and joined the others of Mr. Payne's relatives, who were summoned here. Another consultation of physicians, in which Dr. Osier of Baltimore is to participate, has been arranged for Tuesday.

Shortly after midnight the family of Mr. Payne was summoned to his bedside, as the end seemed imminent, but the patient rallied and the stimulants administered earlier in the night took effect and warded off the inevitable for a time.

At 2 o'clock Mr. Payne was barely alive and all hope had been abandoned. It was announced that he was just lingering and while he might last two hours, the end might come at any moment. No stimulants are being administered and the physicians are allowing nature to take its course.

At 2:35 it was announced that the postmaster general had rallied suddenly and exclaimed "hello" to those about him. Milk then was given him to drink.

Dr. Magruder asked the patient how he was feeling and he replied "first rate."

At 3:45 a. m. the postmaster general was resting easily; pulse steady, and breathing more naturally than he has for days. The members of the family have again retired.

At 6 a. m. no change has been reported in the condition of Mr. Payne since 3:45 a. m.

FAIRBANKS IN CALIFORNIA.

Begins His Campaign in That State at Redding.

Redding, Cal., Oct. 4.—Senator Fairbanks and Senator Fulton of Oregon began their campaign of California at this point at the head of the great Sacramento vaneey before breakfast Monday. A belated dispatch from Nagasaki tells of the awful mortality in a Japanese force at Port Arthur, only twelve men escaping alive out of a body of 4,000 men.

The report of the arrival of the Russian armored cruiser Bayan of the Port Arthur squadron at Hanchau bay, near Shanghai, is denied.

ALARMING TO SLAVS

GENERAL KUROKI EVADES THE COSSACKS AND CAUSES CONSTERNATION.

Mukden, Oct. 4.—Rumors that General Kuroki has evaded General Rennenkampff and slipped around the Russian left alarm army officers here tend to disconcert General Kuroki's pivotal move to swing his left north and his right south. General Rennenkampff, at the head of his own Cossacks and another strong detachment, has been responsible for Kuroki's whereabouts for several days, but in forty-eight hours has not been able to trace the Japanese right.

When Rennenkampff left Penshu after his famous raid Marshal Oyama's three armies on the right, under General Kuroki, were forcing on Bentianputz from Sienchau and two other points. Scouting parties from the Cossack general's column in the past two days reported the Japanese were not in any of the three positions occupied by the enemy recently and that the brigades stationed in and about Bentianputz were those of Kuroki's rear instead of his vanguard. Those reports led to the belief that Kuroki has crossed the Hun at least forty miles east of Mukden and is inclining toward the Peninsular railway from northeast of this place.

CARRYING OUT HIS POLICY.

New Russian Minister of the Interior Gets to Work.

St. Petersburg, Oct. 4.—Prince Sviatopolk-Mirskey, the new minister of the interior, has already begun energetically the work of putting his published utterances into effect. Two assistant ministers of the department who opposed the zemstvos have been transferred to the inactivity of the council of the empire, and half a dozen of the late Minister Plehve's other lieutenants have already been displaced. M. Bunkoff and Dr. Mortinoff, two members of the committee on rural industry of the province of Voronez, who were exiled into Siberia by Minister Plehve for having expressed liberal views, have been allowed to return to their homes. Prince Sviatopolk-Mirskey has also issued an order permitting the Woschol (Sunrise), a Jewish organ here, which Minister Phelv suppressed last spring, to resume publication.

ALL IS QUIET AT MUKDEN.

Russian War Commission Has No News of Fighting.

St. Petersburg, Oct. 4.—The war commission adjourned last night without issuing further news from the front. An Associated Press dispatch from Mukden fled there at 10:30 o'clock Monday, states merely that all is quiet there. There is intense interest here in developments at Mukden, but the public and apparently the authorities also are utterly in the dark as to what is occurring.

The little news received from Port Arthur comes from abroad, but that little is satisfactory, inasmuch as it records a further repulse of the Japanese attacks.

THIRD JAPANESE WAR LOAN.

One of \$40,000,000 Will Be Floated at Home.

London, Oct. 4.—The Standard's Tokio correspondent reports that at a conference of bankers it was decided to issue immediately a third domestic war loan of \$40,000,000, completing the loans for the current fiscal year.

MORE THAN A MILLION MEN.

New Jap Military Scheme Provides for a Large Army.

London, Oct. 4.—Explaining the details of the new Japanese military regulations, the Times correspondent at Tokio says it will ultimately make the total war strength of the army exceed 1,000,000.

JUDGE PARKER HARD AT WORK.

Democratic Candidate Busy Over Plan of Campaign.

New York, Oct. 4.—A glance into Judge Parker's private reception room at his apartments at the Hotel Seville reveals a political workshop equipped almost as completely as his library at Rosemount. It only needs a view of the stacks of correspondence and imposing looking documents to corroborate the report that the Democratic presidential candidate intends spending a great deal of his time between now and election day in New York, where he can keep in close touch with the campaign.

That Judge Parker is acquainting himself with the minutest details of the canvass in every one of the states, placed by either party in the doubtful column, is evident from his discussions with campaign managers. Many reports are being made to Judge Parker by individual workers which do not pass through the hands of the national committee and which are given his personal attention. This work takes much of his time, so much in fact, that scores of callers who have no particular business with the candidate are unable to find him disengaged. Little of Judge Parker's correspondence is attended to by clerks. Every letter that goes out, unless it be some formal acknowledgment of service, is read and signed by the judge.

Judge Parker found time Monday to answer much correspondence. His callers were fewer than on any previous occasion, when he has visited New York.

ELECTIONS IN CONNECTICUT.

Results Said to Have No Bearing on the November Contest.

New Haven, Conn., Oct. 4.—A net gain of one town to the Democrats, and a gain of two towns to the license column tells in brief the story of the little town elections in Connecticut Monday. The leaders of both the leading political parties had stated that the results of Monday's elections could have no bearing on the November election, and their opinion was well founded, for the figures have a purely local significance. For officers Monday 162 towns voted and of these 128 went Republican, as last year, while the Democrats got 33, as compared with 32 last year.

AWFUL LOSS OF LIFE

ONLY TWELVE JAPS LEFT ALIVE OUT OF A FORCE OF FOUR THOUSAND MEN.

London, Oct. 4.—The Daily Telegraph's Nagasaki correspondent, calling under date of Sept. 25, says:

Terrible artillery conflicts are adding to the horrors of the situation at Port Arthur. On Sept. 22 and 23 the Russians made sorties against positions held by the Kanagawa regiment, and desperate fighting ensued.

The Japanese force was practically annihilated, only one non-commissioned officer and eleven men remaining alive out of the 4,000 who went into the engagement.

The Japanese tunnel into Port Arthur was completed on Sept. 24, and was immediately used. The result is unknown.

MEDIATION NOT DISCUSSED.

Rome, Oct. 4.—Premier Giolitti returned to Rome Monday. In conversation with friends he authorized a repetition of the denial that any project of mediation in the far East was discussed at his recent meeting with Count von Buelow, the German chancellor.

Another Consultation to Be Held.

Mrs. W. H. Cameron of Milwaukee, sister of Mr. Payne, arrived last night and joined the others of Mr. Payne's relatives, who were summoned here.

Another consultation of physicians, in which Dr. Osier of Baltimore is to participate, has been arranged for Tuesday.

Shortly after midnight the family of Mr. Payne was summoned to his bedside, as the end seemed imminent, but the patient rallied and the stimulants administered earlier in the night took effect and warded off the inevitable for a time.

At 2 o'clock Mr. Payne was barely alive and all hope was abandoned.

It was announced that he was just lingering and while he might last two hours, the end might come at any moment.

No stimulants are being administered and the physicians are allowing nature to take its course.

At 2:35 it was announced that the postmaster general had rallied suddenly and exclaimed "hello" to those about him. Milk then was given him to drink.

Dr. Magruder asked the patient how he was feeling and he replied "first rate."

At 3:45 a.m. the postmaster general was resting easily; pulse steadier, and breathing more naturally than he has for days. The members of the family have again retired.

At 6 a.m. no change has been reported in the condition of Mr. Payne since 3:45 a.m.

FAIRBANKS IN CALIFORNIA.

Begins His Campaign in That State at Redding.

Redding, Cal., Oct. 4.—Senator Fairbanks and Senator Fulton of Oregon began their campaign of California at this point at the head of the great Sacramento valley before breakfast Monday. Their train drew into the town during the night and they awoke to the music of a brass band. A stand had been erected on the commons near the railway station and when the vice presidential candidate and his associates were conducted to it they found a large crowd awaiting them. In his speech Senator Fairbanks referred to the far-reaching fame of the section and dwelt upon the necessity of continuing the existing political conditions in order to continue the existing prosperous condition of business.

Large crowds listened to Senator Fairbanks at Red Bluff, Chico and Marysville. At San Francisco Senator Fairbanks addressed an immense audience in Mechanics' pavilion. He devoted much of his time to the Panama Canal question and to the extension of American trade in the Orient.

He says the politician said the new circuit attorney, for which office nominations are to be made by the Democrats shortly, would be "his man."

Kelly declares he refused this offer and that he makes this confession to satisfy the pangs of an accusing conscience, to obey the requests of his wife and to do what he can to make atonement to the public and prevent other young men from following the path which, he declares, has led him to ruin.

In the course of his confession Kelly details the story of the city lighting deal and of a boodle fund of \$47,500, divided between the nineteen members of the combine at Julius Lehmann's birthday party.

He asserts the person above referred to gave him the boodle fund and that he took it to Lehmann's house and that he there divided it.

Kelly said the grafting was systematic and had been carried on for twenty-five years. He said the grafters had threatened Circuit Attorney Folk with assassination unless he deserted from his efforts to convict them, but without avail.

Will Christen Battleship Nebraska.

Lincoln, Neb., Oct. 4.—A party comprising Governor Mickey and his staff, five other state officers and ladies, with enough others to make a total of thirty-five, have left for Seattle, Wash., where on Friday they will take part in the launching of the battleship Nebraska. Miss Mary Nain Mickey, daughter of the governor, will christen the ship.

D. M. Clark & Co. carry a full line of sash and doors and builders' hardware.

PAYNE SLOWLY DYING

POSTMASTER GENERAL IS NOT EXPECTED TO SURVIVE HIS PRESENT ILLNESS.

ALL HOPE WAS ABANDONED

PHYSICIANS DID NOT EXPECT THEIR PATIENT TO SURVIVE MONDAY NIGHT.

Washington, Oct. 4.—Postmaster General Payne is now weaker than at any previous stage of his illness, save during the worst of his sinking spells, and his death, it is said, may occur at any minute. The most powerful stimulants, in greater doses than ever, are being administered to him at frequent intervals and it is due to them alone, it is stated, if he survive the night. Without them, it is said, he could not live more than a few hours. His pulse at times Monday was hardly perceptible. There was a severe sinking spell at noon and another shortly after 4 in the afternoon that lasted half an hour. During the succeeding hours the sick man gained a little rest, though he could not sleep long at a time. At 9:30 p.m. Dr. Magruder issued a bulletin saying that Mr. Payne continued to respond well to the remedies administered and there was a slight improvement.

Mr. Payne is unconscious most of the time, but occasionally recognized those about him. He suffered considerable pain during the day. President and Mrs. Roosevelt called during the afternoon and remained at the Payne apartments half an hour. Later they sent a great bunch of roses from the White House conservatory. The Japanese minister, Mr. Takahira, sent one of his secretaries to inquire about Mr. Payne's condition, and Secretaries Hitchcock, Assistants Postmasters General Wynne, Shallenberger, Madden and Bristow were among the other callers.

Another Consultation to Be Held.

Mrs. W. H. Cameron of Milwaukee, sister of Mr. Payne, arrived last night and joined the others of Mr. Payne's relatives, who were summoned here.

Another consultation of physicians, in which Dr. Osier of Baltimore is to participate, has been arranged for Tuesday.

St. Louis, Oct. 4.—In a written confession Charles F. Kelly, speaker of the house of delegates during a period in the life of the boodle combine, relates his story of that combine. He declares that a certain prominent local politician, promised him and others implicated that the new circuit attorney would be "all right" and promised if they would remain firm he would secure for them either continuance until the new circuit attorney took office or pardons afterward.

He says the politician said the new circuit attorney, for which office nominations are to be made by the Democrats shortly, would be "his man."

Kelly declares he refused this offer and that he makes this confession to satisfy the pangs of an accusing conscience, to obey the requests of his wife and to do what he can to make atonement to the public and prevent other young men from following the path which, he declares, has led

LOCAL NEWS NOTES.

Capt. Heffner has returned from the cities.

Herb Hurley is home from Staples for a brief visit.

M. Boyle left for Staples this afternoon on business.

A. W. Puck, of Duluth, was in the city today on business.

Mrs. Frank Barnes returned to Hasty, Minn., this afternoon.

W. B. Jones came in from Sylvan this afternoon on business.

Editor Schrader, of Pequot, was in the city today on business.

Mrs. Beise left this afternoon for the twin cities for a brief visit.

Col. Johnson, state bank examiner, is in the city today on business.

B. Solaski and M. Seigel are in St. Paul for a few days on business.

Editor Gann, of Backus, returned from the twin cities this afternoon.

Dr. Hoorn has returned from the cities where he visited for a few days.

Mr. and Mrs. Wesley Curro, of Jenkins, arrived in the city from the north this noon.

J. H. Murphy and A. M. Cleaves returned today from St. Paul where they visited for a day.

Mrs. Joseph Weitzel returned today from the twin cities where she has been for a few days on business.

Hon. I. W. Bouck, of Royalton, republican candidate for the legislature from this district, was in the city today.

Mrs. A. H. Bennett returned this afternoon from Deerwood where she visited for a few days with her daughter.

Mrs. N. E. Barber returned from the south this afternoon.

Miss Madge Bolin was operated on at St. Joseph's hospital today for appendicitis. The operation was successful.

Miss Kees, who has been a guest in the city of Miss Burgooyne, left this afternoon for her home in Minneapolis.

Chester Mihleis, the popular clerk at H. P. Dunn & Co.'s drug store, returned from a visit to Ellsworth, Wis., today.

Mrs. Alice D. White left this afternoon for Duluth to attend the meeting of the state Congregational association.

J. J. Johnson has moved his upholstering rooms from Gray's building, 222 South Fifth street, to the Gardner block.

Mother Superior, who has been a guest at St. Joseph's hospital for a few days, left this afternoon for home in Duluth.

The St. Francis church festival will be held this evening in the basement of the church and all are invited to be present.

Manager Sturtz, of the Cudahy Packing company, has returned from Duluth where he visited with his family for a few days.

There will be a meeting of the executive committee of the Ladies' Musical club at the home of Mrs. G. D. LaBar this evening.

J. C. Wood and family, who have been visiting in the city, left this afternoon for Kentucky where they expect to make their future home.

Mrs. Will Granger and children, who have been guests of Mr. and Mrs. W. R. Hawkins, left this afternoon for their home in Duluth.

This evening the Yeoman will give their Paper Quadrille. Good music and a good time is assured to all who are fortunate enough to be present.

Prof. and Mrs. Bartsch returned today from their trip to the coast. They have been gone several weeks and report having had a delightful time.

Dr. Bards was unavoidably detained on account of business and did not reach Brainerd from Fargo this noon. He will not now visit Brainerd on this trip.

The ladies of Brainerd Hive No. 10, L. O. T. M., will give a social party Thursday evening, Oct. 6th immediately after the Hive session. The ladies hope to see every member of the Hive present and also bring a friend either lady or gentleman. There will be cards, dancing, music and a light lunch.

The death of nine year old Rose Haag, daughter of Mr. and Mr. Fred L. Haag, at St. Joseph's hospital yesterday afternoon is much deplored by a large circle of friends of the family. The little girl was operated on a short time ago for appendicitis, but on account of her youth could not withstand the shock.

R. H. Capistrant, mail carrier on the St. Mathias route, received news by wire this morning of the death of his mother, Mrs. Angelique Capistrant, at Centerville, Anoka county, this state. Mrs. Capistrant was in her 90th year and death was due to old age. She came to Minnesota in 1852 with her husband, who died some years ago, and has resided in the state since that time.

A good one is told on Judge McClellan, G. W. Moody and Judge Alderman. They arranged for a few days' outing north of here and left on Saturday. Now George Moody is reckoned among the top notchers as a planner of good things to eat and when he spreads himself he gives one the palpitation of the heart, for an ordinary chef de cuisine would not dare to attempt the things this boy does. Well, George had charge of the commissary department for the little junket up north and the box which went over to the depot Saturday afternoon was full of the choicest dainties and meat and everything fine and dandy. When he and Judge McClellan got aboard it was discovered after they had

passed the shops that George had blundered and the box was left behind and had to be sent up yesterday. It will probably never be disclosed what George said when he found he had left the box nor what he planned for the Sunday dinner.

Nettleton sells and rents houses. If

The Nedra Dancing Club will give its first dance on Thursday evening, Oct. 6th, at Walker hall. All members are requested to be present.

Mr. I. Kraywetz, representing A. Zekman, manufacturing furrier of Minneapolis, will be in your city delivering all the new fur orders and repair work entrusted to him on his former visit here.

He will also show a nice line of furs in Ladies and Misses jackets, scarfs, boas and gentlemen's fur lined coats. Remember the dates Oct. 6th and 8th, at the City Hotel 2 days only.

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Hayland, of Armonk, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had consumption in an advanced stage, also used this wonderful medicine and today she is perfectly well."

Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for coughs and colds. 50¢ and \$1.00 bottles guaranteed by H. P. Dunn & Co. Bottles free.

THE DAILY DISPATCH brought to your door for only 40 cents per month.

Notice.

Royal Arcanum meets tonight. Important business. Members will please attend.

Confessions of a Priest.

Rev. Jno. S. Cox, of Wake, Ark., writes, "For 12 years I suffered from Yellow Jaundice. I consulted a number of physicians and tried all sorts of medicines, but got no relief. Then I began the use of Electric Bitters and found that I am now cured of a disease that had me in its grasp for twelve years."

If you want a reliable medicine for liver and kidney trouble, stomach disorder or general debility, get Electric Bitters. It's guaranteed by H. P. Dunn & Co. Only 50¢.

No lunch will be served by the Congregational Sewing Society at their meeting at the church parlors tomorrow afternoon, the announcement to that effect having been made by mistake.

The finest display of furs ever shown in your city. Ladies' jackets in Seal, Otter, Beaver, Persian Lamb, Near Seal, Krimmer and Astrakan, scarfs, boas in the latest up-to-date styles, gentlemen's fur lined coats and seal skin caps. The display will be in charge of our well known salesman, Mr. I. Kraywetz, at the City Hotel, Oct. 7 and 8 for 2 days only. Furs to suit, prices to please. A. Zekman, manufacturing furrier, Minneapolis, Minn.

"It was almost a miracle. Burdock Blood Bitters cured me of a terrible breaking out all over the body. I am very grateful." Miss Julia Filbridge, West Cornwell, Conn.

Nettleton loans money, on improved city property and farms.

Full line trunks and grips at D. M. Clark & Co.

Monarch over pain. Burns, cuts, sprains. Instant relief. Dr. Thomas' Electric Oil. At any drug store.

When tired of paying rent, see Nettleton—Get a home—easy.

See our fine line of furs while our Mr. Kraywetz is in your city. Order your fur garments from him now. A full line of skins to select from. Every garment guaranteed. Mr. Kraywetz will be in your city at the City Hotel, Oct. 7, 8, 2 days only. A. Zekman, manufacturing furrier, Minneapolis, Minn.

Only one remedy in the world that will cure stop itchiness of the skin in any part of the body. Doan's Ointment. At any drug store, 50 cents.

Board of Education Fixes the Levy for Ensuing Year at \$45,095

A regular meeting of the board of education was held last night at the Washington school building and the following members were present: Messrs. Hagberg, Hohman, Hemstead, Halladay, Erickson, Preston, Johnson and Mahlum.

T. C. Blewitt sent in a claim of Mr. Furst against J. W. Moore. The communication was referred to Alderman & Mantor.

Supt. Hartley's report for September showed that there were in attendance at the schools of the city during the past month 969 boys and 1059 girls. The average daily attendance during the month was 1947. The report was accepted and filed.

P. B. Nettleton appeared before the board with a fire extinguisher in which he is interested. The matter was referred to the special committee on fire apparatus to report at the next meeting.

The report of the building committee was read and placed on file.

The purchasing committee was instructed to buy new floor brushes.

The report of the teachers committee was accepted and filed. There was nothing of special importance in the report.

On motion of Dr. Hemstead the salary of Janitor John Norens was raised from \$45 to \$50 a month.

The committee on finance, claims etc offered a resolution fixing the levy for school purposes for the ensuing year.

The same to be raised as fixed by the board is \$45,095 to be divided as follows:

Gold Dust Flour

Mrs. N. E. Barber returned from the south this afternoon.

Miss Madge Bolin was operated on at St. Joseph's hospital today for appendicitis. The operation was successful.

Miss Kees, who has been a guest in the city of Miss Burgoyne, left this afternoon for her home in Minneapolis.

Chester Mihlis, the popular clerk at H. P. Dunn & Co.'s drug store, returned from a visit at Ellsworth, Wis., today.

Mrs. Alice D. White left this afternoon for Duluth to attend the meeting of the state Congregational association.

J. J. Johnson has moved his upholstering rooms from Gray's building, 222 South Fifth street, to the Gardner block.

Mother Superior, who has been a guest at St. Joseph's hospital for a few days, left this afternoon for home in Duluth.

The St. Francis church festival will be held this evening in the basement of the church and all are invited to be present.

Manager Sturtz, of the Cudahy Packing company, has returned from Duluth where he visited with his family for a few days.

There will be a meeting of the executive committee of the Ladies' Musical club at the home of Mrs. G. D. LaBar this evening.

J. C. Wood and family, who have been visiting in the city, left this afternoon for Kentucky where they expect to make their future home.

Mrs. Will Granger and children, who have been guests of Mr. and Mrs. W. R. Hawkins, left this afternoon for their home in Duluth.

This evening the Yeoman will give their Paper Quadrille. Good music and a good time is assured to all who are fortunate enough to be present.

Prof. and Mrs. Barch returned today from their trip to the coast. They have been gone several weeks and report having had a delightful time.

Dr. Beard was unavoidably detained on account of business and did not reach Brainerd from Fargo this noon. He will not now visit Brainerd on this trip.

The ladies of Brainerd Hive No. 10, L. O. T. M., will give a social party Thursday evening, Oct. 6th immediately after the Hive session. The ladies hope to see every member of the Hive present and also bring a friend either lady or gentleman. There will be cards, dancing, music and a light lunch.

The death of nine-year-old Rose Haag, daughter of Mr. and Mr. Fred L. Haag, at St. Joseph's hospital yesterday afternoon is much deplored by a large circle of friends of the family. The little girl was operated on a short time ago for appendicitis, but on account of her youth could not withstand the shock.

R. H. Capistrant, mail carrier on the St. Mathias route, received news by wire this morning of the death of his mother, Mrs. Angelique Capistrant, at Centerville, Anoka county, this state. Mrs. Capistrant was in her 90th year and death was due to old age. She came to Minnesota in 1852 with her husband, who died some years ago, and has resided in the state since that time.

A good one is told on Judge McClellan, G. W. Moody and Judge Alderman. They arranged for a few days outing north of here and left on Saturday. Now George Moody is reckoned among the top notchers as a planner of good things to eat and when he spreads himself he gives one the palpitation of the heart, for an ordinary chef de cuisine would not dare to attempt the things this boy does. Well, George had charge of the commissary department for the little junket up north and the box which went over to the depot Saturday afternoon was full of the choicest cuts of meat and everything fine and dandy. When he and Judge McClellan got aboard it was discovered after they had

passed the shops that George had blundered and the box was left behind and had to be sent up yesterday. It will probably never be disclosed what George said when he found he had left the box nor what he planned for the Sunday dinner.

960 BOYS AND 1059 GIRLS

Board of Education Fixes the Levy for Ensuing Year at \$45,095

A regular meeting of the board of education was held last night at the Washington school building and the following members were present: Messrs. Haggard, Hohman, Hemstead, Halladay, Erickson, Preston, Johnson and Mahlum.

T. C. Blewitt sent in a claim of Mr. Furst against J. W. Moore. The communication was referred to Alderman & Mantor.

Supt. Hartley's report for September showed that there were in attendance at the schools of the city during the past month 969 boys and 1059 girls. The average daily attendance during the month was 1947. The report was accepted and filed.

P. B. Nettleton appeared before the board with a fire extinguisher in which he is interested. The matter was referred to the special committee on fire apparatus to report at the next meeting.

The report of the building committee was read and placed on file.

The purchasing committee was instructed to buy new floor brushes.

The report of the teachers committee was accepted and filed. There was nothing of special importance in the report.

On motion of Dr. Hemstead the salary of janitor John Norens was raised from \$45 to \$50 a month.

The committee on finance, claims etc offered a resolution fixing the levy for school purposes for the ensuing year. The same to be raised as fixed by the board is \$45,095 to be divided as follows:

Salaries.....\$33,300

Fuel.....2,000

Repairs.....800

Insurance.....500

Supplies.....300

Rents.....200

Printing and Stationery.....100

Officers Salaries.....120

Int. on bonds other than state.....5,275

Fund for payment of bond and interest.....2,200

Total.....\$45,095

The resolution was unanimously adopted.

A resolution offered by Dr. Hemstead that it be the sense of the board that the terms of the members to be elected from the Fourth ward be divided as follows:

The members receiving the highest numbers of votes be declared elected for 4 years and the one receiving the next highest be declared elected for two years, thereafter one to be elected for a term of four years, was unanimously adopted.

A committee consisting of Messrs. Congdon, Halladay and Hohman was appointed to take an inventory of all the school property.

Dec. wheat.....\$1.12¹/₂

May.....\$1.12¹/₂

Dec. Oats.....\$1.31¹/₂

Special Sale

"SACRIFICING" is just the word to describe, fittingly, our

GREAT CUT-PRICE SALE

which commenced on Saturday, October 1st, to continue for twenty-five days only and not a day longer.

Every new Fall Suit, Overcoat and pair of trousers; every article in Boys' and Children's Clothing; our Hats, Furnishings and Shoes all are included in this great Sacrifice Sale.

No, we do not propose to advertise a grand clearance sale—goods sold regardless of cost, clothing at half price or less than the cost of manufacture—suits at cost of the thread with which they were sewed

—overcoats at the cost of the buttons on them. Such nonsensical advertisements are simply a burlesque

and an insult to public intelligence. Here's our statement: We have made great reductions on everything in our store. We have not marked them up and then marked them down—simply cut the original price. Now, then, come and see for yourselves. Let the goods and price do the talking. This is what constitutes a fair, square Reduced Price Sale, and this is our straightforward and honorable way of doing it.

We would appreciate a call from you for the purpose of testing the truth of all our assertions.

McCarthy & Donahue,

214 So. 7th St.,

OPSAHL BUILDING,

Brainerd, Minn.

MUCH BUSINESS OF IMPORTANCE

Transacted at the Meeting of the City Council Last Evening in Chambers

CLAIM FOR DAMAGES FILED

D. W. Whitford Serves Notice on City—Another Seance in Fire Department.

The regular meeting of the city council for the month was held last night in chambers. The following aldermen were present at roll call: Halladay, Rowley, Robertson, Murphy, McGinnis, Johnson, Gardner and Larson. President Crust was in the chair.

The report City Clerk Low for the month of September showed 8 arrests in city cases, 3 paid fines, 1 prisoner was committed without fine, 2 sentences suspended, 2 were discharged after hearing, amount of fines collected, \$205. There were 18 civil cases commenced during the month and one case was settled. Report accepted.

The report of Chief of Police Sargent for the month was accepted and allowed.

The report of Supt. Peterson of the electric light plant showed 153 incandescent lights out in during the month and 6 cut out. During the month the superintendent installed 8 enclosed arc lights. He also reported 79 arc lights now in use in the city. All machinery of the plant is in good repair. The report was on motion accepted and filed.

The following pay rolls of city employees were allowed as read:

City Employees.....	\$ 345.15
Fire Department.....	122.50
Police Department.....	320.00
Street Employees.....	239.63
Electric Light Employees.....	452.75

The usual grist of bills were allowed.

There were several bills in for work done in the Second ward district sewer. They were laid on the table as the banks had informed the city clerk that they were not ready to take up the sewer warrants. They were advertised for sale on Oct. 1, but it is thought individuals who expect to take these warrants up are not aware that they are for sale yet.

Alderman Rowley, chairman of the purchasing committee, wanted to know what the council wished to do regarding the purchase of meters recommended by Supt. Peterson. The matter was on motion referred to the purchasing committee with power to act.

The street committee reported that the work on the sidewalk on Oak street between the St. Paul track and Tenth street, was progressing satisfactorily.

Daniel W. Whitford, by his attorney, M. E. Ryan, made a formal demand of the city for damages. It seems, accord-

ing to the statement of Attorney Ryan that on the night of Sept. 12, about 10 o'clock, while walking on the west side of Sixth street in front of the Turcotte building, Mr. Whitford tripped and was thrown to the ground and was quite severely injured. The claimant's request was referred to the city attorney to report at the next meeting. It is claimed that Mr. Whitford dislocated his shoulder.

The fire committee, to which was referred the matter of placing a water hydrant at the corner of Kingwood and Third streets, reported having investigated the matter and recommended that the hydrant be not put in. The hydrant with a water main was ordered in by resolution at a meeting of the city council held on July 5. Nothing was done in the matter last night.

Alderman Murphy made a motion that the Minnesota Water Works company be instructed to put the main on Oak street down in to the proper depth. He stated that there are any number of people who would connect with this main, but they have been assured by experience that the water in this main freezes in the winter and they do not feel like going to the expense when they know they will not get the water in the winter. The main referred to is the extension put in last year east of Fourteenth street. The motion of Alderman Murphy received a second and was unanimously passed.

R. R. Wise was present and requested the use of part of the street in front of the Hartley block for building material and supplies. The request was granted. He also wanted to buy a quantity of crushed rock from the city and a motion was made that the street committee be instructed to sell Mr. Wise what rock he wished.

The matter of repairing the sidewalk from the brow of the hill to the cemetery was brought up last night. Alderman Robertson stated that he was of the opinion that it should be either repaired or torn out. The matter was left in the hands of the street committee to report at the next meeting.

A petition was read from residents of Pine street asking for a water main some 300 feet. The petition was referred to the fire committee to report at the next meeting.

A petition was read from residents of blocks 48 and 70 asking that a lateral sewer be laid in these blocks. On motion the request was granted and a motion passed ordering the same constructed.

Contractor Chas. Peterson's request to use half of the sidewalk on the corner of Laurel and Eighth street while he is building the Fitger building, was granted.

The matter of the water from the big ditch running through the city and emptying into the general sewer was up again last night. City Engineer Woolman, to whom had been referred the question, stated that he had made some investigations. He found that the natural source of this water would be down this ravine through the city anyway, but thought there was no danger to the big sewer. He stated that all the water that could flow through the culvert at the railroad could be easily taken care of in the sewer. He did state that it might cause considerable inconvenience and annoyance to those living in the vicinity of Rosewood street and a part of the Fourth ward. Alderman Halladay wanted something done immediately and made a motion that the city attorney be instructed to take steps to prevent the use of this ditch.

Fireman Peterson of the Fourth ward was present and wanted to know if the fire committee had considered the proposition made to give the hose company from that ward \$100 out of the fund from the state. Alderman Johnson stated that they had considered this matter but thought it inadvisable, as it would

A question in connection with the dis-

trict and lateral sewers came up last night again which involves a rather fine point and an especially important one to City Engineer Woolman. He stated that the council had ordered him to go ahead and make plans and prepare estimates for district and lateral sewers throughout the city. He wanted to know where his pay was coming from for this work. It seems that the law provides that he cannot get his pay for this work until the work is completed and the final estimate is made. There is no assurance that all the wards in the city will put in the district or lateral sewers during the next year and some of the wards may never put the laterals in at all. Just as a matter of personal interest Mr. Woolman wanted to know where he was going to get his money.

The point brought forth considerable discussion. Alderman Halladay seemed to think that the engineer could be paid in the same manner that he was paid for work in the Second ward, but Alderman Rowley was of the opinion that because the council had made a mistake in taking the money out of the general fund once it was no reason why they should do it again. The matter will come up for further consideration at a future meeting.

Alderman Robertson touched briefly upon the old telephone matter last night. He stated that complaint had been made by people who wanted to put in new telephones that Manager Walker would not do so unless they paid \$1.50 a month for domestic use. The alderman wanted to know if he had a right to do this under the ordinance and he was informed that he did not. It was stated by one of the members of the council that Mr. Walker intended to test the ordinance on this matter of regulating his rates and should a complaint be made he would carry the question to the higher courts for final adjudication.

NEIGHBORS IN SWEDEN

Reported that Miss Emily Erickson Greene knew Moxie Family in Stockholm, Sweden, Her Home.

Miss Emily Erickson Greene, who plays the leading role in "That Little Swede" at the opera house tomorrow night, is said to have known the Moxie family of this city and heard that they were here by reading notices in the papers about Oscar Moxie's wrestling matches here.

Miss Greene is the only Swedish dialect actress in the country who is genuine. She was brought to this country by Hampton & Hopkins and the play in which she appears was written especially for her. She will give a very pleasing performance tomorrow night.

MUSIC AND DRAMA.

"THAT LITTLE SWEDE" TOMORROW NIGHT.

Tomorrow night the attraction at the Brainerd Opera House will be "That Little Swede," a story of the Wisconsin woods, by John Crittenden Webb, and will be produced on an elaborate and imposing scale. The scenery and mechanical effects used in the production of this beautiful play are said to be very good and the management calls attention to the fact that the pictures of the scenes as well as all the advertising matter displayed by this company are not in the least exaggerated but are made from photographs taken by flashlights from the actual representations given upon the stage. The cast is said to be strong. The piece is a triumph for both company and management and will no doubt meet with due recognition for our theatregoers.

Now's the time to get a good driving horse or team at Mark's Great Horse Sale at the stock yards in this city all this week.

Special Sale

"SACRIFICING" is just the word to describe, fittingly, our

GREAT CUT-PRICE SALE

which commenced on Saturday, October 1st, to continue for twenty-five days only and not a day longer.

Every new Fall Suit, Overcoat and pair of trousers; every article in Boys' and Children's Clothing; our Hats, Furnishings and Shoes all are included in this great Sacrifice Sale.

No, we do not propose to advertise a grand clearance sale—goods sold regardless of cost, clothing at half price or less than the cost of manufacture—suits at cost of the thread with which they were sewed

—overcoats at the cost of the buttons on them. Such nonsensical advertisements are simply a burlesque

and an insult to public intelligence. Here's our statement:

We have made great reductions on everything in our store.

We have not marked them up and

then marked them down—simply cut the original price. Now, then, come and see for yourselves. Let

the goods and price do the talking. This is what constitutes a fair, square Reduced Price Sale, and

this is our straightforward and honorable way of doing it.

We would appreciate a call from you for the purpose of testing the truth of all our assertions.

McCarthy & Donahue,

OPSAHL BUILDING,

Brainerd, Minn.

MUCH BUSINESS OF IMPORTANCE

Transacted at the Meeting of the City Council Last Evening in Chambers

CLAIM FOR DAMAGES FILED
D. W. Whitford Serves Notice on City—Another Seance in Fire Department.

The regular meeting of the city council for the month was held last night in chambers. The following aldermen were present at roll call: Halladay, Rowley, Robertson, Murphy, McGinn, Johnson, Gardner and Larson. President Crust was in the chair.

The report City Clerk Low for the month of September showed 8 arrests in city cases, 3 paid fines, 1 prisoner was committed without fine, 2 sentences suspended, 2 were discharged after hearing, amount of fines collected, \$205. There were 18 civil cases commenced during the month and one case was settled. Report accepted.

The report of Chief of Police Sargent for the month was accepted and allowed.

The report of Supt. Peterson of the electric light plant showed 153 incandescent lights cut in during the month and 6 cut out. During the month the superintendent installed 8 enclosed arc lights. He also reported 79 arc lights now in use in the city. All machinery at the plant is in good repair. The report was on motion accepted and filed.

The following pay rolls of city employees were allowed as read:

City Employees.....	\$ 345.15
Fire Department.....	122.50
Police Department.....	320.00
Street Employees.....	239.63
Electric Light Employees.....	452.75

The usual grist of bills were allowed.

There were several bills in for work done in the Second ward district sewer. They were laid on the table as the banks had informed the city clerk that they were not ready to take up the sewer warrants. They were advertised for sale on Oct. 1, but it is thought individuals who expect to take these warrants up are not aware that they are for sale yet.

Alderman Rowley, chairman of the purchasing committee, wanted to know what the council wished to do regarding the purchase of meters recommended by Supt. Peterson. The matter was on motion referred to the purchasing committee with power to act.

The street committee reported that the work on the sidewalk on Oak street between the St. Paul track and Tenth street, was progressing satisfactorily.

Daniel W. Whitford, by his attorney, M. E. Ryan, made a formal demand of the city for damages. It seems, accord-

ing to the statement of Attorney Ryan that on the night of Sept. 12, about 10 o'clock, while walking on the west side of Sixth street in front of the Turcotte building, Mr. Whitford tripped and was thrown to the ground and was quite severely injured. The claimant's request was referred to the city attorney to report at the next meeting. It is claimed that Mr. Whitford dislocated his shoulder.

The fire committee, to which was referred the matter of placing a water hydrant at the corner of Kingwood and Third streets, reported having investigated the matter and recommended that the hydrant be not put in. The hydrant with a water main was ordered in by resolution at a meeting of the city council held on July 5. Nothing was done in the matter last night.

Alderman Murphy made a motion that the Minnesota Water Works company be instructed to put the main on Oak street down in to the proper depth. He stated that there are any number of people who would connect with this main, but they have been assured by experience that the water in this main freezes in the winter and they do not feel like going to the expense when they know they will not get the water in the winter. The main referred to is the extension put in last year east of Fourteenth street. The motion of Alderman Murphy received a second and was unanimously passed.

President Crust thought these people had no kick coming; that they had not complied with their own promises to connect with the main.

There was a question which seemed to agitate the councilmen and there was considerable discussion over the matter. It seems that in different parts of the city private water pipes running from the mains in the streets have been brought closer to the surface in consequence of grading having been done in the various streets, and that in some instances the pipes are so close to the surface that the water freezes in the winter. Property owners have raised a cry and have in some instances demanded that the city lower the pipes. The fire committee, in view of the city attorney's opinion, recommended that the pipes not be lowered. The report was accepted and filed.

The fire department matter took a fresh start last night when Chairman Johnson moved the adoption of a resolution fixing a schedule and fixing other things. It provides for a complete re-establishment of a system of paying the men who attend fires, a system of registration for those who attend fires and the raising of the salary of the chief of the department from \$12.50 per month to \$25 per month.

Fireman Peterson of the Fourth ward was present and wanted to know if the fire committee had considered the proposition made to give the hose company from that ward \$100 out of the fund from the state. Alderman Halladay wanted something done immediately and made a motion that the city attorney be instructed to take steps to prevent the use of this ditch.

A question in connection with the dis-

trict and lateral sewers came up last night again which involves a rather fine point and an especially important one to City Engineer Woolman. He stated that the council had ordered him to go ahead and make plans and prepare estimates for district and lateral sewers throughout the city. He wanted to know where his pay was coming from for this work. It seems that the law provides that he cannot get his pay for this work until the work is completed and the final estimate is made. There is no assurance that all the wards in the city will put in the district or lateral sewers during the next year and some of the wards may never put the laterals in at all. Just as a matter of personal interest Mr. Woolman wanted to know where he was going to get his money.

The point brought forth considerable discussion. Alderman Halladay seemed to think that the engineer could be paid in the same manner that he was paid for work in the Second ward, but Alderman Rowley was of the opinion that because the council had made a mistake in taking the money out of the general fund once it was no reason why they should do it again. The matter will come up for further consideration at a future meeting.

Alderman Robertson touched briefly upon the old telephone matter last night. He stated that complaint had been made by people who wanted to put in new telephones that Manager Walker would not do so unless they paid \$1.50 a month for domestic use. The alderman wanted to know if he had a right to do this under the ordinance and he was informed that he did not. It was stated by one of the members of the council that Mr. Walker intended to test the ordinance on this matter of regulating his rates and should a complaint be made he would carry the question to the higher courts for final adjudication.

You can own a nice warm home. \$100 cash and rent money. —Nettleton.

NEIGHBORS IN SWEDEN

Reported that Miss Emily Erickson Greene knew Moxie Family in Stockholm, Sweden, Her Home.

Miss Emily Erickson Greene, who plays the leading role in "That Little Swede" at the opera house tomorrow night, is said to have known the Moxie family of this city and heard that they were here by reading notices in the papers about Oscar Moxie's wrestling matches here.

Miss Greene is the only Swedish dialect actress in the country who is genuine. She was brought to this country by Hampton & Hopkins and the play in which she appears was written especially for her. She will give a very pleasing performance tomorrow night.

"THAT LITTLE SWEDE" TOMORROW NIGHT.

Tomorrow night the attraction at the Brainerd Opera House will be "That Little Swede," a story of the Wisconsin woods, by John Crittenden Webb, and will be produced on an elaborate and imposing scale. The scenery and mechanical effects used in the production of this beautiful play are said to be very good and the management calls attention to the fact that the pictures of the scenes as well as all the advertising matter displayed by this company are not in the least exaggerated but are made from photographs taken by flashlights from the actual representations given upon the stage. The cast is said to be strong. The piece is a triumph for both company and management and will no doubt meet with due recognition for our theatregoers.

Now's the time to get a good driving horse or team at Mark's Great Horse Sale at the stock yards in this city all this week.

City Employees.....	\$ 345.15
Fire Department.....	122.50
Police Department.....	320.00
Street Employees.....	239.63
Electric Light Employees.....	452.75

The usual grist of bills were allowed.

There were several bills in for work done in the Second ward district sewer. They were laid on the table as the banks had informed the city clerk that they were not ready to take up the sewer warrants. They were advertised for sale on Oct. 1, but it is thought individuals who expect to take these warrants up are not aware that they are for sale yet.

Alderman Rowley, chairman of the purchasing committee, wanted to know what the council wished to do regarding the purchase of meters recommended by Supt. Peterson. The matter was on motion referred to the purchasing committee with power to act.

The street committee reported that the work on the sidewalk on Oak street between the St. Paul track and Tenth street, was progressing satisfactorily.

Daniel W. Whitford, by his attorney, M. E. Ryan, made a formal demand of the city for damages. It seems, accord-

ing to the statement of Attorney Ryan that on the night of Sept. 12, about 10 o'clock, while walking on the west side of Sixth street in front of the Turcotte building, Mr. Whitford tripped and was thrown to the ground and was quite severely injured. The claimant's request was referred to the city attorney to report at the next meeting. It is claimed that Mr. Whitford dislocated his shoulder.

The fire committee, to which was referred the matter of placing a water hydrant at the corner of Kingwood and Third streets, reported having investigated the matter and recommended that the hydrant be not put in. The hydrant with a water main was ordered in by resolution at a meeting of the city council held on July 5. Nothing was done in the matter last night.

Alderman Murphy made a motion that the Minnesota Water Works company be instructed to put the main on Oak street down in to the proper depth. He stated that there are any number of people who would connect with this main, but they have been assured by experience that the water in this main freezes in the winter and they do not feel like going to the expense when they know they will not get the water in the winter. The main referred to is the extension put in last year east of Fourteenth street. The motion of Alderman Murphy received a second and was satisfactorily carried.

R. R. Wise was present and requested the use of a part of the street in front of the Hartley block for building material and supplies. The request was granted. He also wanted to buy a quantity of crushed rock from the city and a motion was made that the street committee be instructed to sell Mr. Wise what rock he wished.

The matter of repairing the sidewalk from the brow of the hill to the cemetery was brought up last night. Alderman Robertson stated that he was of the opinion that it should be either repaired or torn out. The matter was left in the hands of the street committee to report at the next meeting.

A petition was read from residents of Pine street asking for a water main some 300 feet. The petition was referred to the fire committee to report at the next meeting.

A petition was read from residents of blocks 48 and 70 asking that a lateral sewer be laid in these blocks. On motion the request was granted and a motion passed ordering the same constructed.

Contractor Chas. Peterson's request to use half of the sidewalk on the corner of Laurel and Eighth street while he is building the Fitger building, was granted.

The matter of the water from the big ditch running through the city and emptying into the general sewer was up again last night. City Engineer Woolman, to whom had been referred the question, stated that he had made some investigations. He found that the natural source of this water would be down this ravine through the city anyway, but thought there was no danger to the big sewer. He stated that all the water that could flow through the culvert at the railroad could be easily taken care of in the sewer. He did state that it might cause considerable inconvenience and annoyance to those living in the vicinity of Rosewood street and a part of the Fourth ward. Alderman Halladay wanted something done immediately and made a motion that the city attorney be instructed to take steps to prevent the use of this ditch.

Fireman Peterson of the Fourth ward was present and wanted to know if the fire committee had considered the proposition made to give the hose company from that ward \$100 out of the fund from the state. Alderman Johnson stated that they had considered this matter but thought it inadvisable, as it would

strict and lateral sewers came up last night again which involves a rather fine point and an especially important one to City Engineer Woolman. He stated that the council had ordered him to go ahead and make plans and prepare estimates for district and lateral sewers throughout the city. He wanted to know where his pay was coming from for this work. It seems that the law provides that he cannot get his pay for this work until the work is completed and the final estimate is made. There is no assurance that all the wards in the city will put in the district or lateral sewers during the next year and some of the wards may never put the laterals in at all. Just as a matter of personal interest Mr. Woolman wanted to know where he was going to get his money.

The point brought forth considerable discussion. Alderman Halladay seemed to think that the engineer could be paid in the same manner that he was paid for work in the Second ward, but Alderman Rowley was of the opinion that because the council had made a mistake in taking the money out of the general fund once it was no reason why they should do it again. The matter will come up for further consideration at a future meeting.

We Are Exclusive Agents for COLE'S HOT BLAST

Burns Any Fuel

Cole's Hot Blast heats perfectly with hard or soft coal, slack, wood, lignite coal, cobs, any kind of fuel without change of fixtures. This wonderful heater burns the gas half of coal and saves the waste chimney heat of other stoves.

If you enjoy the luxury of dressing in warm rooms without having to get up in the cold to build fires and do not want to wear a shawl at the breakfast table you will investigate COLE'S ORIGINAL HOT BLAST to-day.

Holds Fire 36 Hours

Cole's Hot Blast is guaranteed to hold fire 36 hours with soft coal or hard coal without attention. Another point even with soft coal the rooms can be heated two hours in the morning with coal put in the stove the night before. Simply open draft.

Most Cleanly

Cole's Hot Blast is air-tight with a smokeless feed door, allowing the use of the cheapest fuel without dust, gas or smoke escaping. The removal of ashes by the dustless ash remover prevents dust or ashes getting on the floor.

Guaranteed

Cole's Hot Blast is guaranteed to remain absolutely air-tight; to maintain uniform heat day and night, to heat rooms in morning with last night's fuel; to hold fire 36 hours; to save one-third fuel over any lower draft stove same size.

MARK'S GREAT RUSH SALE!

THE GREATEST OF ALL SALES IN BRAINERD

CUT PRICES in our high grades of Merchandise not considered at all, but we will cut and slash in order to raise the cash. We handle nothing but the **BEST AND HIGHEST GRADE OF SHOES, CLOTHING, HATS and FURNISHINGS**

There are no better anywhere to be found. Nothing but Square dealing goes in my establishment. Your money back if you want it, I am too well known at this time here in Brainerd and vicinity. No monkey business goes with me. I mean what I say, and if I say "Slash," slash it must be until my entire stock of High Grade and Union Made Goods is sold, no matter at what price, as the people will all testify to my honest intentions. I am no stranger here in Brainerd. I do not care, nor does anyone else care how I got my goods or where I got them, as you get the Right Merchandise at one-half or one-quarter its value. There is positively no place in Brainerd today nor in a year from today that can come anywhere near selling good goods as low as I do. They are not in it with me at this time. Do not make any mistake and be misled by others. Come right here for your Great Bargains as my prices are getting lower as the stock gets reduced. Everything is on the square.

500 dozen fine All Wool and fine Fleece Lined Underwear, up to \$4.00 a Suit. Now going at \$1.75, \$1.25, \$1.20 and 75c a Suit.

FATAL BOILER EXPLOSION.

Two Men Killed and Seven Others Badly Injured.

Counterville, Ill., Oct. 4.—Two men were killed and seven seriously injured as the result of a boiler explosion in the Schubert sawmill, three miles east of town, Monday. The dead are Ames Schubert and Walter Schumacher.

The boiler exploded just before the men got through work, the force of the explosion wrecking the mill building. One of the proprietors, who was sitting in the office, was instantly killed.

SINGLE REPUBLICAN TICKET.

Warring Factions in Delaware Arrive at an Agreement.

Philadelphia, Oct. 4.—A special to the North American from Dover, Del., says:

"Both Union and Regular Republicans now admit that a deal has been, or is about to be consummated which will result in a single Republican ticket in this state. State Chairman J. Frank Alee of the Union Republican faction is not in Dover, but representatives of both factions freely admit that a tacit understanding has been reached.
